

# Bob Marley & The Wailers, No Woman No Cry

No woman no cry  
No woman no cry  
No woman no cry  
No woman no cry

Say, Say,  
Say I remember when we used to sit  
In the government yard in Trenchtown  
Observing the hypocrites  
As they would mingle with the good people we meet  
Good friends we have  
Oh, good friends we have lost  
Along the way  
In this great future,  
You can't forget your past  
So dry your tears, I say

No woman no cry  
No woman no cry  
Dear little darling, don't shed no tears  
No woman no cry

Say, Say,  
Say -- I remember when we use to sit  
In the government yard in Trenchtown  
And then Georgie would make the fire lights  
As it was logwood burning through the night  
Then we would cook cornmeal porridge  
Of which I'll share with you  
My feet is my only carriage  
So I've got to push on through,  
But while I'm gone

Everything 's gonna be alright  
Everything 's gonna be alright

No woman no cry  
No woman no cry

Woman and sister  
Don't shed no tears  
No woman no cry
