

Bob Marley & The Wailers, So Much Things To Say

Ooh yeah, yeah, yeah, yeah, yea-a-ah, ye-yeah, yeah, yeah
Ooh yeah, yeah

They got so much things to say right now,
they got so much things to say
They got so much things to say right (... now ...),
they got so much things to say

Hey, but I'll never forget, no way,
they crucified Jesus Christ
I'll never forget, no way,
they sold Marcus Garvey for rice, ooh
I'll never forget, no way,
they turned their backs on Paul Bogle, hey, hey
So don't you forget, no you,
who you are and where you stand in the struggle

They got so very, so very, so very, so very, so very,
so very, so very, so , so very
They sayin' everything, they sayin' so much today,
they got so much things to say, so much things to say

Well, I and I and I no come to fight flesh and blood,
but spiritual wickedness in high and low places
So while they fight you down,
stand firm and give Jah thanks and praises
'Cause I and I no expect to be justified
by the laws of men, by the laws of men
Whole jury found me guilty,
but prove, truth shall prove my innocence

Oh, when the rain fall, fall, fall now,
it won't fall on one man's housetop, remember that
When the rain fall,
it won't fall on one man's housetop

They singin', so very much, so very much, oh, so,
so very much, so, so very
They got so much things to say right (... now ...),
yeah, they got so much things to say

Hey, but I and I, I and I no come to fight flesh and blood,
spiritual wickedness in high and low places
So while, so while, so while they fight you down,
stand firm and give Jah thanks and praises
I and I no expect to be justified
by the laws of men, by the laws of men
Hey, truth got to prove my innocence,
I'm told the wicked think they found me guilty

They got, well, well, well, well, we-we-we-well, la-la-la-la-la-la-la,
la-la-la-la-la-la-la, they lubberin' all the time
So much things to (... say ...) rumour about,
they gotta rumour without humour, they don't know what they're doin', yeah
