

# Bob Schneider, Jingy

I got a little monkey  
His name is Jingy  
His first name's Paulo  
Middle name is Joe

I call him Paulo Joe Jingy  
He's my little monkey  
He crawls on my back  
And makes himself at home

I got a little monkey  
His name is Jingy  
He's a pretty little monkey's  
Got teeth like dimes

They shine like diamonds  
There in the moonlight  
They cool my skin  
And cut me to the bone

I got a little monkey  
His name is Jingy  
I got him buried in the backyard  
Underneath the onion tree

I can hear him scratching  
I can hear him laughing  
I can hear him coming on after me  
Oh Jingy Jingy Jingy won't you let me sleep  
But Jingy Jingy Jingy'll never let me be
