## Bob Schneider, Jingy

I got a little monkey His name is Jingy His first name's Paulo Middle name is Joe

I call him Paulo Joe Jingy He's my little monkey He crawls on my back And makes himself at home

I got a little monkey His name is Jingy He's a pretty little monkey's Got teeth like dimes

They shine like diamonds There in the moonlight They cool my skin And cut me to the bone

I got a little monkey
His name is Jingy
I got him buried in the backyard
Underneath the onion tree

I can hear him scratching
I can hear him laughing
I can hear him coming on after me
Oh Jingy Jingy Jingy won't you let me sleep
But Jingy Jingy Jingy'll never let me be
