

# Bob Schneider, Side Show Tornado

I got shattered heart membrane  
I got hair on end  
I'm a sea of strangers  
I'm my only friend  
I got bottom of the barrel  
Empty bottle in my hand  
I'm all eras baby  
I'm an invisible man  
Why'd you go

I got a million dollar headache  
I got a thermal smile  
I'm a sideshow tornado  
I'll only stay for a while  
I got a hole in my heart  
I gotta get out of town  
I'm a truckload of trouble  
I'm not fucking around  
Why'd you go

I got a drink special hairdo  
I got a grandfather stare  
I got a cop in my rearview  
That I wish wasn't there  
I got way too much free time  
I've got nowhere to hide  
The whole world's on fire  
& I'm frozen inside  
Why'd you go
