

Bob Schneider, Wish

All they found
Was a foot inside a shoe
In a little town in a hotel room
And a pile of ashes on the floor
And a note that read
I can't live to love you anymore

Wish I could
With all my might
Grab the stars in the night
Dig my feet into the ground
And stop this world
From spinning round
Then you might see and understand
And turn around and come back again
Cause you're the only thing I'm living for
And I can't live to love you anymore
