

Bob Seger, Clutch

So there
You got me in your clutch again
So there, so there
I love your touch
And that voodoo that you do so well
It's got me spinnin' round and round and

So let me in your world
Let me in your world for a while
Let me in your world so I can sing to ya

Oh no you got me goin' crazy for you baby
Sayin' oh no you make me go insane for you baby

So there
Oh oh oh
You got me in your clutch again
Oh oh oh
Oh this this livin' is strange
We count our feelings in yesterdays

Is that how you keep your clutch baby
Is that how you keep it darlin'

So let me in your world
Yeah let me in your world for a while
Let me in your world so I, I can sing to ya

Oh no you got me goin' crazy for you baby
Oh no you make me go insane for you baby

Oh, oh, oh, oh clutch again oh oh and you clutch again oh

Oh no you got me going crazy for you baby
Oh no you make me go insane for you baby
Oh no you got me going crazy for you baby
Sayin' oh no you make me go insane for you baby

Oh ho oh oh oh oh oh oh oh don't say oh oh oh oh oh oh no

You got me you got me in your clutch you got me
Sayin' ohohohohohohohohoh
Oh no oh no

And it is by Shea Seger, not Bob
