

Bob Seger, The Stealer

Words and music by fraser and rogers

I went down to the center of town

Beneath my feet was the burning ground

Just stood on the corner as sexy as could be

Said "hey good looking, walk away with me"

I said "yeah, I'm your stealer,

Come to steal your love."

Sun was shining, the world was bright,

I said, "tell me darling, where you gonna be tonight?"

"goin' around the corner, where the music's loud.

I'm tired of the city, gonna cat me around."

And I said "yeah, I'm your stealer,

I come to steal your love."

I come to

I come to steal

Goin' around the corner, where the music's loud.

I'm tired of the city, gonna cat me around.

And I said "yeah, I'm your stealer

I come to steal your love.
