

Bob Seger, Which Way

Which way you gonna go
To the left or to the right
Gonna go up gonna go down
I ain't got no clue tonight

Which way you gonna run
To the east or to the west
To the north to the south
Which way you like the best

You only do things Your Way
Baby Your Way

You only like things Your Way
Baby Your Way

Which Way You Gonna Turn
When you find it's all wrong
Which way you gonna turn
When it all comes out wrong

When you find you're not that strong
Oh baby baby
I hope you get along
