

Bob Sinclair, I Feel For You

I can feel it
Can you feel it

I can feel it
Can you feel it

I can feel it
Can you feel it

...

[Chorus:] [2x]
Feel for you baby
Feel for you baby
I can feel it
Can you feel it
Feel for you baby
Feel for you baby
Feel for you...

The first time we met
I saw the fire in your eyes
You turned me away
I could feel the pain in my heart
It made me feel the same without you
Now it's time to fly away
Across the sky
Close your eyes
And feel the vibe

[Chorus:]
Feel for you baby
Feel for you baby
I can feel it
Can you feel it
Feel for you baby
Feel for you baby
Feel for you...

Freeing your mind
Freeing your soul
Freeing your mind
Freeing your soul
Do you know how much I feel for you

[Intro:]
I can feel it
Can you feel it

I can feel it
Can you feel it

I can feel it
Can you feel it

...

[Chorus:]
Feel for you baby
Feel for you baby
I can feel it
Can you feel it
Feel for you baby
Feel for you baby
Feel for you...</p></p>
