

# Bob Sinclair, Rock The Boat

[Pitbull]

Bob Sinclar, Mr. 305, yea!

[Dragonfly]

We're gonna rock the boat, rock it 'till it breaks down  
Rock the boat, bring it to the underground

[Pitbull]

It's Mr Worldwide, yeah i'm marvelous  
I'm so hot, I'm hotter than lava is  
I don't know what you're thinkin' but I hope you're thinkin' what I'm thinkin'  
Won't you show head bubblin'  
Don't knock on doors, but your jehovah is my witness  
And I treat sex like it's psychical fitness  
Up and down let the stock market  
Now baby let me give you the business  
Cara linda, pecho hecho  
Ay que rico, dale chica  
Pelo lacio, mira eso,  
Dale loca, dame un beso

[Dragonfly - refren]

We're gonna rock the boat, rock it 'till it breaks down  
Rock the boat, hop it 'till it can't be found  
Keep on rockin' we ain't stopping  
Rockin' rockin', keep on poppin'  
Rock the boat, bring it to the underground

[Fatman Scoop]

Clap your hands, hands, hands, hands (x3)

[Dragonfly]

Let's go!

Tonight I'm dizzy and I'm drinking like a grizzly bear  
Cause I'm on fire like a chilli super ...(?)  
I got a lighting ball in my hair,  
Let's party dirty all the way my dear

We're gonna rock the boat  
(Baby you gon' see you'll be rocking with me)  
Rock the boat  
(Baby you gon' see you'll be rolling with me)  
We're gonna rock the boat  
(Baby you gon' see you'll be rocking with me)  
Rock the boat  
(You gon' be rocking and rolling with me)

[Dragonfly - refren]

We're gonna rock the boat, rock it 'till it breaks down  
Rock the boat, hop it 'till it can't be found  
Keep on rockin' we ain't stopping  
Rockin' rockin', keep on poppin'  
Rock the boat, bring it to the underground

[Fatman Scoop]

Clap your hands, hands, hands, hands (x3)

[Drgonfly]

Let's go!

[Fatman Scoop]

Fatman Scoop, Bob Sinclar ...(?) LOUDER!

[Dragonfly]

We're gonna rock the boat

(What you want to do now)

Rock the boat

(Make it louder, make it louder)

We're gonna rock the boat

(How we get the party started)

Rock the boat

(Make it louder, make it louder)

We're gonna rock the boat, rock it til it breaks down

Rock the boat, bring it to the underground
