

# Bob Sinclair, What A Wonderful World

Imagine yourself  
And everywhere you see there are people and the people are smiling  
And everyone is having a good time  
And the people are loving one another  
Sharing with one another  
Imagine a world where there is  
Only peace, where there is no anger  
Where there is no hate, where there is no war  
Imagine a world that is full of nothing but love  
And full of nothing but joy  
This world is something that we need  
Imagine!  
What a wonderful, wonderful world  
Imagine a world  
With no color  
everyone will respect one another  
Imagine a life with no ending  
Everyday will be a new beginning  
A life that is happy and strong  
Full of things that'll never go wrong  
So come on let's hold, get together  
And let's sing this song forever  
What a wonderful world  
Ohh yes  
This will be  
This will be  
What a wonderful world  
What a wonderful world  
This will be  
This will be  
This will be  
What a wonderful world  
This will be  
What a wonderful world  
This will be  
What a wonderful world  
Oh yes  
This will be  
This will be  
What a wonderful world  
This will be, be, be, be
