

Bob Sinclair, What A Wonderful World

Imagine yourself

And everywhere you see there are people and the people are smiling

And everyone is having a good time

And the people are loving one another

Sharing with one another

Imagine a world where there is

Only peace, where there is no anger

Where there is no hate, where there is no war

Imagine a world that is full of nothing but love

And full of nothing but joy

This world is something that we need

Imagine!

What a wonderful, wonderful world

Imagine a world

With no color

everyone will respect one another

Imagine a life with no ending

Everyday will be a new beginning

A life that is happy and strong

Full of things that'll never go wrong

So come on let's hold, get together

And let's sing this song forever

What a wonderful world

Ohh yes

This will be

This will be

What a wonderful world

What a wonderful world

This will be

This will be

This will be

What a wonderful world

This will be

What a wonderful world

This will be

What a wonderful world

Oh yes

This will be

This will be

What a wonderful world

This will be, be, be, be
