

# Bob Welch, I Saw Her Standing There

Written by john lennon and paul mccartney.

Well, she was just seventeen,  
You know what I mean,  
And the way she looked  
Was way beyond compare.  
Ill never dance with another  
Since I saw her standing there

Well, she looked at me  
And i, I could see  
That before too long  
Id fall in love with her  
How could I dance with another  
When I saw her standing there

Well, my heart went boom  
When I crossed that room  
And I held her hand in mine

We danced through the night  
And we held each other tight  
And before too long  
I fell in love with her  
Ill never dance with another  
Since I saw her standing there

Well, my heart went boom  
When I crossed that room  
And I held her hand in mine

Oh, she was just seventeen,  
You know what I mean,  
And the way she looked  
Was way beyond compare.  
Shell never dance with another  
Since I saw her standing there

Since I saw her standing there
