

Bob Welch, Lose My Heart

Written by Bob Welch.

Friends & lovers have said it's true
There's only one thing that loves more
What I want to know, do I wait for you
Or is it me that your waiting for...

(chorus)

You made me lose my heart
You made me lose my heart
You made me lose my heart
But did you lose your heart to me

Now I wouldn't ask you to sacrifice
The way that you live your life
What I want to know would you give your heart
Ah girl I've given mine...

(repeat chorus)
