

Bobby Bare, Don't Think Twice It's All Right

There ain't no use to sit and wonder why babe it don't matter nayhow
And there ain't no use to sit and wonder why babe if you don't know by now
When the rooster crows at the break of dawn look out your window I'll be gone
You're the reason I'm traveling on don't think twice it's all right
Ain't no use in turnin' on your light babe a light I'll never know
Ain't no use in turnin' on your light babe I'm on the dark side of the road
Still I wish there was something you would do or say
To try and make me change my mind and stay
We never did too much talking anyway don't think twice it's all right

[ac.guitar]

I'm walkin' down that long lonesome road babe where I'm bound I can't tell
But goodbye is too good a word gal so I'll just say fare thee well
Now I ain't seeing you treated me unkind you could have done better but I don't mind
You just sorta wasted my precious time don't think twice it's all right
Don't think twice it's all right
