

# Bobby Bare, I'd Fight the World

I don't care what anybody thinks of me  
For my pride is gone and here I am on bended knees  
I only know I need you and I love you so  
And I'd fight the world before I'd ever let go go  
I'd gladly beg or steal I'd borrow I'd turn my back on everyone I know  
I'd do these things with no fear of tomorrow  
I'd fight the world before I'd let go go

Yes I've heard 'em talkin' about me lovin' you like I do  
And they are sayin' things like noone should love anyone as much as I love you  
But I don't care if the world stops and the sun explodes or the moon turns to ashes  
I'd gladly stand and fight the world before I'd let you go  
I'd gladly beg or steal I'd borrow...
