

Bobby Bare, I Wonder Where You Are Tonight

Tonight I'm sad my heart is weary I'm wondering if I'm wrong or right
To dream about you though you left me I wonder where you are tonight
That old rain is cold and slowly falling upon my window pane tonight
And though your heart was even colder I wonder where you are tonight
[rh.guitar]
Then came the dawn the day you left me I tried to smile with all my might
But you could see the pain within me that lingers in my heart tonight
That old rain is cold and slowly falling...
