

# Bobby Bare, Little Bit Later On Down The Line

I remember the time she used to be mine  
But just a little bit later on down the line she said bye bye try not to cry  
See you just a little bit later on down the line

See when I was born she was goin' on ten  
And on the day that I was to make her mine  
She said it's not right so I'm leaving tonight  
See you just a little bit later on down the line

She said babe it ain't that I don't love you  
It's just that road is long and there's a lot you've got to see  
But today I heard it said she got herself wed  
They say he looked her age and she looked fine  
My one love is gone why was I born just a little bit later on down the line  
Just a little bit later on down the line
