

Bobby Brown, College Girl

Lady please tell me
How you really feel
Deep inside your heart
I hope that it's for real
I feel lonely
do you wish that I was there?
There right by your side
showing you I care

College Girl
Wont you come over tonight
I want to make love to you
College Girl
I can make it feel alright

Lately I've been thinkin
bout how we use to be
something about your love
that makes my life complete
I've never met a girl
can make me feel the way you do
Girl wont you come over
so i can do the things I wanna do

Chorus[x2]

College girl
please let me know the deal
if you're for real
about the love

Chorus to fade...
