

Bobby Brown, Til The End Of Time

Til The End Of Time

Verse 1:

Yes I know times have changed
I'll be straight up with you
It's so hard to explain why I feel the way I do
For You
We've had ups and downs
Long as love's still around yeah,
We can make it last forever
If we're not too proud to say, I love you

Chorus:

I love you, forever
You make my dreams come true
You know, I know
We'll be together
Til the end of time

Verse 2:

It's so hard for a man
In this world full of trials
Tell me how can I get
All the things that I want
That I need
If we both believe
We can accomplish anything
Just think of all we could achieve
Cuz I'll be yours and you'll be mine,
Until the end of time

(chorus 2x w/Bobby's adlibs)

(chorus 3x)

Spoken: That's all we need. In order to make a
□relationship work, all we need is time.
□But if we believe, all our dreams will come
□true. Together, forever and ever, til the end
□of time. So let's go on, til the end of time.
