

# Bobby Caldwell, Smile

Smile, though your heart is breaking  
Smile, even though it's aching

When there are clouds in the sky, you'll get by  
If you smile through your pain and sorrow,  
Smile and maybe tomorrow,  
You'll find the sun come shining through for you

Light up your face with gladness  
Hide every trace of sadness  
Although tears maybe ever so near  
That's the time you must keep on trying  
Smile, what's the use in crying  
You'll find that life is still worth while  
If you'll just smile..

That's the time you must keep on trying  
Smile what's the use in crying  
You'll find that life is still worth while  
If you'll just smile.
