

Bobby Caldwell, Special To Me

You are so special to me
Loving you was surely meant to be
And when I'm feeling blue
You hold me close
You've always been so special to me *
When I think about my life
Before I met you
I'd wake up to this loneliness
And long for someone new
You have been the reason
For me to carry on
I can't imagine life at all
If your love was gone
* repeat
When we're together
There's nothing we can't do
There can be no other
I would compare to you
You have been the reason
For me to carry on
I can't imagine life at all
If your love was gone
* repeat
There could never be
Another love for me
' Cause you made my dreams come true
Love until the end
We'll be lovers, best of friends
Stay with me
Eternally
