

Bobby Darin, You're The Reason I'm Living

You're the reason I'm livin'...

You're the breath that I take
You're the stars in my heaven
You're the sun when I wake.

You're the reason I'm livin'...

Whoa... you carry me through
All of life's little burdens
I'd be lost without you.

A long, long time ago
When I was down
Whoa... you picked me up
And showed me
True love still could be found.

You're the reason I do things
You're the things that I do
You're the reason I'm livin'
I'd be lost without you.

Come and tell me again...

You're the reason I'm livin'...

Whoa... you carry me through
All of life's little burdens
I'd be lost without you.
