I Wanna Thank You

Bobby Rydell

Written by Mann / Lowe /Appel

Hah hah hah
Hah hah hah
Scooby dooby doo
I wanna thank you.

You left me made me blue,
Sat around and cried for you,
And then I dried my eyes
Found a girl that's paradise.

She's my lady, the greatest in town,
You know I wanna thank you, for puttin' me down.

[Repeat verse 1]

This girl is sweet and true,
She treats me better than you,
You gave me my big chance,
And I found my dream romance

[Repeat verse 3 then 1]

Goodbye, farewell, so long,
You know you done me wrong.
Its all turned out right,
That girl has dynamite.

[Repeat verse 3 then 1]
