

Bobby Valentino, Dance Floor

dont wanna end the night right
cuz the show's about to start□□
wanna put her in a museum cuz she's a work of art
she's the center of attention seems like everybody knows
all the guys tryna get with her, but i'm the one she chose
i can tell by the way that you look at me
this is what you like (this is what you like)
the way you shake and you bouncin it to the beat
i can see you do this all night (i can do this all night)
so get up off the wall and come with me
baby take my hand, keep me company
be my special occasion tonight

wont you get up off the wall

chorus

let me see your hands in the sky, see you shake it from side to side
wont you get up off the wall
saw you (sumthn) with your girls and dam you was lookin fly
girl put your hands up on the wall
(sumthn) but you know you wanna hit the floor
so baby wont you get up off the wall
turn around girl rewind it for me 1 2 3 4 lets go

verse 2

im feelin you body, and i wanna be alone
lets make this the last song tonight (we can make this the last song)
girl come a little closer, keep it exclusive for me
all the others guys hate it, cuz they know you're coming home with me

i can tell by the way that you look at me
this is what you like
the way you shake and you bouncin it to the beat
i can see you do this all night
so get up off the wall and come with me
baby take my hand, keep me company
be my special occasion tonight

wont you get up off the wall

bridge

tonight we had some fun, but girl the night's not done
if you thinkin what i'm thinkin lets move towards the door now
lets end this night together, we can do whatever you like
put your hand in mine and

get up off the wall

chorus

let me see your hands in the sky, see you shake it from side to side
wont you get up off the wall
saw you (sumthn) with your girls and dam you was lookin fly
girl put your hands up on the wall
(sumthn) but you know you wanna hit the floor
so baby wont you get up off the wall
turn around girl rewind it for me 1 2 3 4 lets go (x2)

whoop whoop,whoop whoop,whoop whoop,whoop whoop,
yeah, yeah, yeah, yeah, yeah, yeah, yeah,
