

Bodyjar, Adnam The One Armed Bricklayer

I know it's the way that is goes
I can't help but wonder
Why you have to put something down
'Cause you're insecure
I don't know why should I complain
There's nothing to say or do
Can't wait to say
Can't wait to say to you
Can't wait to say
You've been thinking too
I thought about reasons to try
I've thought about nothing
It's so hard to have faith in these times
But I won't pretend
I don't know there's no one to blame
There's nothing to say or do
Can't wait to say
Can't wait to say to you
Can't wait to say
You've been thinking too
Can't wait to say
Can't wait to say to you
Can't wait to say
You've been thinking too
You've been thinking too
You've been thinking too.... much
