

# Boiler Room, Do It Again

Watch me give out  
Never giving in  
The only way is to get down in it  
To the top with me now there's no limits

Give me reason  
Reason to believe  
That you're with us when we're bringing it to ya  
Like we have before

We're gonna do it again  
We're gonna do it again now  
Turn it out  
Do it again  
We're gonna do it again now  
Set it off  
Do It Again  
We're gonna do it again now  
This goes out to the ones who doubt

No longer the underdog. we're gonna win it  
Don't you doubt us 'cause we were always in it  
Now tell me, tell me what ya, what ya gonna do  
When I get some cash, she'll get with me too  
Everybody knows that we get the party started  
And I must admit, we make an art of it  
We're coming down hard on all the half-hearted  
And watch me now 'cause I'm just getting started

Watch me blow it on up  
Watch me blow it on op  
Watch me now. 'cause you're living a lie  
and now you came to confide

We're gonna do it again  
We're gonna do it again now  
Turn it out  
Do it again  
We're gonna do It again now  
Set it off  
Do It Again  
We're gonna do it again now  
This goes out to the ones who doubt
