

# Boilermaker, Here Comes Rolling

Here comes rolling wandering  
His sickness unfolds  
Open your arms if arms are all that's left  
Stand clear the driver knows who's behind him  
Steer clear stay away  
Open your arms if arms are all that's left  
Open your arms if arms are all that's left  
Silverback awoke rose unfolded  
He sits still unknowing  
Can't stand erect when he's not awake  
Wake up rolling
