

# BOKKA, Let It FLOW (feat. Nela Paloma)

This is where  
You say stop  
Take a breath  
Take a pause  
You will reap  
What you sow  
But tonight  
Let it flow

Sometimes it's too late to go back  
Some things have to hurt to realize  
The sun keeps rising  
And you have to keep on trying  
Keep on trying
