

# Bolt Thrower, Graven Image

Words cannot explain  
Darkest thoughts within the mind  
Centuries of hatred  
Now subside

Commencing the birth  
Of new life  
Rise from the wreckage of the past

Words cannot explain  
The feeling agony within  
Anguish summoned  
Perception begins  
All secrets now revealed  
You cannot win  
Searching in hope of a new age

All feelings put aside  
Numbed by the vision  
Nothing left alive  
Facing devastation

Awakened in remorse  
To rebuild from destruction  
Recreate life's evolution

No chance for redemption  
All life now ceased  
Pleading for forgiveness  
There shall be no peace
