

Bombay Bicycle Club, Eat, Sleep, Wake (Nothing

Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You

it's so cold
in the air
but the vibe in my ear
first notes start
I can see who you are
I can feel who you are
while the sun never ends
...

awkwardly bitten faster and faster
faster and faster
wake to the park
stick to the back
stick to the back
cause I dream about
Nothing But You

Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You

I might nod and see it awkwardly
so all I have is memories
don't look in the stars
words in the dark
but never the frame
we just waltz..

awkwardly bitten faster and faster
faster and faster
wake to the park
stick to the back
stick to the back
cause I dream about
Nothing But You

Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
Eat, Sleep, Wake
Nothing But You
