

Bombay Bicycle Club, Is It Real

Is It Real

Is It Real

Is It Real

I wanna go back
times have all changed
and I don't want that

cause I feel our lives roll past
look at wrong way when
I am moving too fast

Is It Real

wind the tape back
watch the whole real 'til
the picture goes back

dig your heels
feel the roots crack
rings in your center but
I wouldn't count that

rise and fall
in vain /2x
time and time
again /2x
