

Bon Iver, Sh'Diah

Well you find the time
Don't you
For the Lord
But you can find the time
Oh can't pass it around?

Fever last too long
Fever's rashing on
There's no fountain in silver
How art?
How art?

How often ya gonna see now
Truly what ya cease to be
Will you adjust your scenery
Well you find the time
Don't you
For the Lord

Keep it rational
Keep it rational
There's no fountain
