

# Bon Jovi, (It's Hard) Letting You Go

It ain't no fun lying down to sleep  
And there ain't no secrets left for me to keep  
I wish the stars up in the sky  
Would all just call in sick  
And the clouds would take the moon out  
On some one-way trip  
I drove all night down streets that wouldn't bend  
But somehow they drove me back here once again  
To the place I lost at love, and the place I lost my soul  
I wish I'd just burn down this place that we called home  
It would all have been so easy  
If you'd only made me cry  
And told me how you're leaving me  
To some organ grinder's lullaby  
It's hard, so hard - it's tearing out my heart  
It's hard letting you go  
Now the sky, it shines a different kind of blue  
And the neighbor's dog don't bark like he used to  
Well - me, these days  
I just miss you - it's the nights that I go insane  
Unless you're coming back for me  
That's one thing I know that won't change  
It's hard, so hard - it's tearing out my heart  
It's hard letting you go  
Now some tarot card shark said I'll draw you a heart  
And we'll find you somebody else new  
But I've made my last trip to those carnival lips  
When I bet all that I had on you  
It's hard, it's hard, it's hard, so hard  
It's hard letting you go  
It's hard, so hard, it's tearing out my heart  
But it's hard letting you go
