Bon Jovi, King Of The Mountain

Listen people can't you hear the voices that are crying out There's a hunger burning in the heart of their souls Maybe now that I got you let me tell you what I'm talking 'bout Stand up and shout tonight we'll lose control

I been down and mistreated Now we're standing undefeated

[Chrous:] I'm the King of the Mountain I'm the King of the Hill I'm the King of the Mountain I'm the King of the Hill

You spend your life working 9 to 5 it's like doing time Boss man says "Hey boy, you'll never be no good" With the night there's a magic in the air that makes us come alive Tonight's the night they can't put you down, no one could

I been down and mistreated Now we're standing undefeated

[Chorus]

Listen people can't you hear the voices that are crying out. There's a hunger burning in the heart of their souls. Maybe now that I got you let me tell you what I'm talking 'bout Stand up and shout tonight we'll lose control

I been down and mistreated We won't be cheated Now we're standing undefeated...

[Chorus]
