

# Bon Jovi, Mister Big Time

I've been watchin my TV  
It's got a hundred different stations  
They all look the same to me

Now I'm ready  
For a new sensation

Na na na na na  
na na na na  
na na na na

I'm gettin ready for the big time  
Someday I'm gonna be big time news

Dont have to take it when you're big time  
Someday you'll call me mister big time too

In a big reclining chair  
With a cold six pack of beer

You got a front row seat  
You got to put up your feet

Man the picture  
Is lookin bright from here

I'm gettin ready for the big time  
Someday I'm gonna be big time news

I can taste it, I'll be prime time  
Someday I'm gonna be big time news

Don't have to take it when you're big time  
Someday you'll call me mister big time too

Na na na na na  
na na na na  
na na na na

I'm gettin ready for the big time  
Someday I'm gonna be big time news

I'm gonna waste it when I'm big time  
I'll be ready for it, bing bang boom

I can taste it I'll be prime time  
Someday I'm gonna be big time news

Don't have to take it when you're big time  
Someday you'll call me mister big time too
