

# Bon Jovi, Not Fade Away

I'm gonna tell you how it's gonna be  
You're gonna give your love to me  
I'm gonna love you night and day  
Well love is love and not fade away  
Well love is love and not fade away

My love bigger than a Cadillac  
I try to show it and you're drivin' me back  
Your love for me has got to be real  
For you to know just how I feel  
Love is real and not fade away  
Well love is real and not fade away

I'm gonna tell you how it's gonna be  
You're gonna give your love to me  
Love to last more than one day  
Well love is love and not fade away  
Well love is love and not fade away  
Well love is love and not fade away  
Love, love is love and not fade away  
Not fade away  
Not fade away
