

# Bon Jovi, Sympathy

Well you walked out the door just like a thief in the night  
I guess you never even had the balls to say goodbye  
You stole my heart and you took all the cash  
You split with my soul and my stereo, left me with the trash  
I never been nobody's Valentine and you never were a bride to be  
I don't need you to be a friend of mine, I don't need no charity

Chorus:

Don't come knockin' on my back door  
Love ain't livin' 'round here no more  
I don't want to taste your empathy  
I don't want no sympathy  
I don't need your sympathy, baby  
Don't want no sympathy  
I don't need your sympathy, baby  
I bet your out on the streets, wrapped up in somebody's arms  
Until it's time to pay the rent - you'll be gone, gone, gone  
You got a suicide heart, you send it COD  
Honey, I know your act, when you're sending it back don't come bitchin' to me  
Who said love is just a sacrifice was a man in need of sympathy  
It sure don't take too long to realize that you ain't getting none from me

Chorus:

Don't come knockin' on my back door  
Love ain't living 'round here no more  
I don't want to taste your empathy  
I don't want your sympathy  
I don't need your sympathy, baby  
Don't want no sympathy  
I don't need your sympathy, baby  
When I look back in time I see love ain't been no friend to me  
I never been nobody's Valentine and you never were a bride to be

Chorus:

Don't come knockin' on my back door  
Love ain't livin' 'round here no more  
Count up all the tears you've cried for me  
Don't come knockin' on my back door  
Love ain't livin' round here no more  
I don't wanna taste your charity  
I don't want no sympathy  
I don't need no sympathy, baby  
Don't want no sympathy  
I don't need your sympathy, baby  
I want no sympathy  
I don't need no sympathy  
I don't like no sympathy
