

# Bon Jovi, Tokyo Road

In a time, in a place  
In a world, they forgot  
Lives the heart of me  
A part that just won't die  
Just a boy, not a man  
Sent to war, in a land  
They said we'd fight for their freedom  
But I felt like a hired hand

Sometimes I have to find my way  
Sometimes I have to get away

Chorus:  
Take me back to Tokyo Road  
Take me back to Tokyo Road

Working hard, for a pass  
Got the night, make it last  
It was a time to remember  
All my life I would never forget  
In a bar, breathing smoke  
Snorting whiskey, drinking coke  
It was a time when no one would die  
And there wasn't a care

Sometimes I wish it was that way  
Cause sometimes I have to get away

Chorus

This guy turns me around and he's pointing up the stairs  
I found myself in her doorway but there wasn't anybody there  
She walked in the room with nothing on but a red light  
And with a smile she got so close to me.  
She whispered something 'bout midnight  
You know I didn't understand a word she said  
But it felt so good  
She knew that I didn't have any money  
But baby I knew she would...

Chorus
