

# Bon Jovi, We Rule The Night

We walked through the sunshine, we walked thru the rain  
As endless as time the thoughts will remain  
We'll take what we want  
You take what you need  
We are the targets, you better believe  
No one can save you, there's nothing to say  
Deception's the name of the game

Chorus:

We rule the night  
Only the strong will survive  
There's no wrong, there's no right  
We rule the night  
We rule the night  
We'll never give up the fight  
Where the wrong is alright  
We rule the night  
All is for one and one is for all  
If we take the fight then you take the fall  
You run from the shadows but they call my name  
You search for the truth but your search is in vain  
No one can save you, there's nothing to say  
Deception's the name of the game

Chorus:

We rule the night  
Only the strong will survive  
There's no wrong, there's no right  
We rule the night  
We rule the night  
We'll never give up the fight  
Where the wrong is alright  
We rule the night  
We rule the night  
We rule the night  
We rule the night
