

Bonaparte, Too Much

you know too much, too much, too much, too much, too much
much too much, too much, too much, too much
much too much, too much, too much, too much, too much - much

you know james joyce, I like your voice
you know baudelaire, I like your hair
you know churchill, I know kill bill
you know tolstoy, I know playboy
you know politics, I know party chicks
you know wallstreet, I just want to meet
you know common law, I ask my ma
you know sanskrit, come on and say it
you know economy, well I believe in what I see
you know sophie scholl, I love rock'n'roll
you know algebra, but you wear no bra
do you speak japanese?

you know too much, too much, too much, too much, too much
much too much, too much, too much, too much
much too much, too much, too much, too much, too much - much

you know so much, so much about everything
all that I know, I know I've got a song to sing
you know so much, so much about this and that
you know myspace, yourspace, what is the human race?

b-day, d-day, dj, casius clay
