

# Bonaparte, Too Much

you know too much, too much, too much, too much, too much  
much too much, too much, too much, too much  
much too much, too much, too much, too much, too much - much

you know james joyce, I like your voice  
you know baudelaire, I like your hair  
you know churchill, I know kill bill  
you know tolstoy, I know playboy  
you know politics, I know party chicks  
you know wallstreet, I just want to meet  
you know common law, I ask my ma  
you know sanskrit, come on and say it  
you know economy, well I believe in what I see  
you know sophie scholl, I love rock'n'roll  
you know algebra, but you wear no bra  
do you speak japanese?

you know too much, too much, too much, too much, too much  
much too much, too much, too much, too much  
much too much, too much, too much, too much, too much - much

you know so much, so much about everything  
all that I know, I know I've got a song to sing  
you know so much, so much about this and that  
you know myspace, yourspace, what is the human race?

b-day, d-day, dj, casius clay  
batman, spiderman, superman, tarzan  
einstein, bernstein, money, money, red wine

mao, hotschimin, valium, amphetamin  
you and me and one two three and who could be a refugee?  
spam, spam, spam, spam, spam, spam, spam, spam,  
spam, spam, spam, spam, spam, spam, spam, spam.

you know too much, too much, too much, too much, too much  
much too much, too much, too much, too much  
much too much, too much, too much, too much, too much - too much

it's so banana, i really just wanna wanna  
it's so banana, i really just wanna wanna  
it's so banana, i really just wanna wanna wanna  
it's so banana but it's true

you know too much, too much, too much, too much, too much  
much too much, too much, too much, too much  
much too much, too much, too much, too much, too much - too much
