Radio speaker: (not on album version)

Welcome to the radio show: young, free and single!

We got a good show lined up for you, let's have our first caller:

Hey, jane's my name and love's my game,
I just turned eighteen yesterday.
I'm blond, I'm tall, I'm full of fun,
Give me a call and I'll show you some.

Frank met jane now, and jane met eddie - on the radio show.
Who wants to have fun, who's hot and ready? - for the radio show.
Call up the station, have a go, get the phone in your hand.
Friends and lovers, give a call, take a chance on a voice if you can.
