

# Bonfire, Give It A Try

Like a lonely wolf  
howling in the night  
calling for you

Time is passing by  
and I'm feeling so sad  
the wounds of love won't heal

I'm running around in circles  
'cause we don't talk anymore  
now I walk these streets alone  
straying in the night - searching for you

## CHORUS

Give it a try - for a second time  
don't you know I miss you  
Give it a chance - for a second romance  
don't you know I love you

I thought our love is strong  
but now I know I was wrong  
wrong all the time

We said we'll draw the line  
but it's hard to forget  
all those memories

CHORUS 3x
