

Bongwater, You Don't Love Me Yet

Lightning never strikes anymore
but I can't make it rain
because it would only lightning again
Lightning never strikes anymore
but I can't make it rain
because it would only cause me pain

I have my start but I never have begun
because without you my life is unsung
I have my start but I don't have a part
because without you it only breaks my heart

To be or not to be
that's the question unceasingly
but without you I would long to be yours to be
cause without you I'm not a king
cause without you it will never do
cause I can't think what life would be like without you

cause you don't love me yet
you don't love me yet
I just won't forget because you don't love me yet
