

Bonnie Owens, I Don't Care (If Tomorrow Never Comes)

I don't care if tomorrow never comes this world holds nothing for me
I've been lonely night and day ever since you went away
I don't care if tomorrow never comes
If tomorrow never comes and the sun don't ever shine it won't matter to me
Cause when you went away my world ended that day
I don't care if tomorrow never comes
[steel - guitar]
If tomorrow never comes...
I don't care if tomorrow never comes
