

Bonnie Owens, Yes I Love You Only

I just received your letter oh I've waited darling for so long to hear from you
And you say you love me but you want to know dear if I've been untrue to you
Yes I love you only and I've been so lonely dear I've waited for so long
No there's been no other for no one could ever make me feel the way you do
[steel - ac.guitar]

Please come home and get me take me with you next time

When you say you'll be ocean blue

I'm so wild about you I can't live without you don't you feel the same way too

Yes I love you only...

Yes I love you only...
