

Bonnie Owens, You Don't Even Try

Our love keeps drifting and you keep giving me to blame
I go on loving you although it's all in vain
You've stopped caring so what chance have you and I
I give my everything but you don't even try
I've done all I can do and I'm standing at the end
Although I know it's over my heart just won't give in
You've stopped caring so what chance have you and I
I give my everything but you don't even try
(I give my everything but you don't even try)
I've done all I can do...
