

Bonnie Pink, Silence

Silence

You smoke in silence

Tipling and glazing, high and dry

Silence

Yes, she's gone

Without so much as looking back

Silence

I knew your end

Doesn't matter to me where you go

But I want you to know

That silence ain't so bad

Silence

You bite at silence

Don't wanna be eaten by

Silence

Yes, you're alone

Without a word, within you're crying

Silence

You fight in vain

doesn't matter to me what you do

But I want you to know

That silence ain't so bad

Silence

I live with silence

Shading you and absorbing your sigh

Silence

Yes, I was born and bred in silence

Silence

I'm not insane

Doesn't matter to me how you think

But I want you to know

That silence ain't so bad
